

24-11-06	Meeting	<p>Children and Mental Health Team York- Jackie Johnson, Wife of NO-F70 and NO-F70 and I visited the CAMHS in York to discuss the needs of both NO-A49 and Name Redacted</p> <p>We discussed the children's history and there personas now. It was decided that the children would have 6 sessions to begin after Christmas to ascertain their needs and how these best could be met.</p>
08-01-07	Visit	<p>Both Name Redacted and NO-A49 greeted me at the door. They both looked well.</p> <p>The news of the day was that the house had gone up for sale and the family were hoping to move to the Isle of Wight. It was felt that Foster child would not be joining them as she had requested to stay with her family. Both NO-A49 and Name Redacted are excited about the prospect of moving to the Isle of Wight. Name Redacted has said that she is going to go swimming in the sea all year around even though we told her that it might be a little chilly!</p> <p>All the family had a lovely Christmas with lots of presents and visits to family etc.</p> <p>Both the children's bedrooms were appropriate and I had no concerns</p>
09-01-07	Strategy Meeting	<p>Meeting held at Selby Social Services Department with regard to NO-F70's sister making allegations of her daughter being harassed by him.</p> <p>Decision was taken that there is no evidence of this happening and the family are making moves to distance themselves away from NO-F70's sister.</p> <p>CSKY is to be notified of meeting.</p>
11-01-07 20-02-07	T/C Review	<p>Mother of NO-A49</p> <p>Mother of NO-A49 called to say that (Name Redacted) Looked After Review held - See Section 3 for Minutes.</p>
