

Many thanks for your email of this morning. I spoke personally on Friday to the Independent School Inspectorate and attach Curriculum Vitae for Dr. Kevin McCoy CBE. It is suggested at this stage by the lay person advising the Abbey that an independent report, chaired by yourself in conjunction with Dr. McCoy's particular skills, would be advantageous to the Abbey. I await your comments on this. In the meantime I am going to prepare some further instructions for you today with enclosures including a Charity Commission Report and some lengthy details concerning the school and will send this by document exchange to your Chambers.

With kind regards

Yours sincerely

A J Nelson
