Subject: St Benedicts School, Ealing

Dear Mr Barnes;

Further to our telephone conversation today, I explained that Ealing Education Services had received an anonymous letter raising concerns about a young adult working at Ealing Abbey. Consequently social services have completed an investigation, which is now concluded. However, in this same anonymous letter, which was sent to Tom Galvin, Principal Educational Social worker, the following statement was made regarding St Benedicts:

"The reason I am not signing this letter is that I have a son at St Benedict's. If you know anything about how the school is run, I don't need to give any more explanation."

The letter when referring to the allegation that has been investigated by social services makes reference to "things being hushed up". I am sorry that I do not have further information for you, but one of the decisions of the strategy meeting held by social services is that these statements were made available to the inspectorate of the school.

If I can be of further assistance please do not hesitate to contact me.

Thanks
Lucy
