Although Abbott Shipperlee is away at present, on 24/10/01 I left a message on his mobile phone for him to contact me asap.

On 25/10/01 I spoke to Abbott Shipperlee who stated he was not back in the abbey until Friday 27/10/01 and would be able to provide details of the victim and teacher on that day. I am A/L on 27/10/01 and away next week. Therefore I have asked DC Golder to speak to Abbott Shipperlee to obtain these details. An appointment has been arranged for midday on 27/10/01. Enquiries continue.

i have attended the Ealing Abbey and spoken with Abbott Shipperlee.He has gone through the allegations with me and stated that the suspect is still working at the Abbey but has no contact with children.

He was still not in possession of the victims full details and has told me he will call me this week with them.He has however provided some including the following

RC-A418 aged 24 years (aged 8 or 9 at time)

He has also given me details of a letter sent to another family in October 1998 after another child made a similar disclosure about incidents whilst being taken swimming by Father Pearce.
the family details are,
