On 22/9/10 at 1230 Soper was arrested for indecent assault on **RC-A601** and **RC-A600** and was interviewed in the presence of his solicitor. He stated he didn't know either boy and denied the allegations made.

He stated he was the master in charge of discipline in the middle school from 1979 and 1983 and would either use corporal punishment or other methods eg detention for disciplining children. He stated that he would not touch the boys buttocks and would not cane the boys on their bare backsides except on two occasions. Once on the instructions of the boy's parents after he stole from the school and secondly as a last resort for a boy who was continually being naughty. He couldn't recall the names of the
