Dear Jane

Happy New Year to you – I hope you managed to get a break over the Christmas period.

I have been forwarded an official letter making a claim in the above case by the Bishop of Durham and have attached this for you. I think his office may also have sent this in.

One of the national church lawyers has advised that, now that this claim has been made, we should no longer respond to emails / contact the alleged victim. Can I clarify what Ecclesiastical's viewpoint on this is please?

Many thanks

Sheryl

Dear Sheryl

Thanks for providing a copy of the LOC sent on behalf of [redacted].

The advice you have received is correct; you should not be in any further contact with the claimant as he has now instructed solicitors to represent him as you anticipated he would.

I wonder if you could provide us with a copy of the July 14 e mail mentioned in the LOC which apparently describes the abuse in some detail?

Once all the documentation is on file we will be appointing Paula Jefferson at DAC Beachcroft to deal with the claim and you may well hear from her at some point

I look forward to hearing from you

Kind regards

Jane Abbott
