On the 10th June 1992, I received an allegation of physical abuse via the duty system which operates at our office. This referral was made by Philip ROSSER who is the Child Protection Service Manager for the area. This referral was made by him by Father David PEARCE, who is the Headmaster at St. Benedicts Junior School. I telephoned Father David in the afternoon of the 10th June. He said that one of the boys who attends the school, namely: RC-A595 had told him recently after a talk at the school, the subject being Child Abuse and Bullying, that he was being beaten at home by his father, at times with a rope. His father calls him a whimp and he also said that he had been threatened with more beatings if he said anything. RC-A595 had also told him that he had tried to run away from home. His father's reply was that he didn't have the guts to run away. RC-A595 also told him that his DPA year old sister was also beaten by his father. Father David then stated that RC-A595 was on a field trip that day and he did not feel that RC-A595 was in any immediate danger at home. I then told Father David that we would need permission to speak with RC-A595 from his parents. He agreed
