RC-A621 And then intercourse.

DC GREGORY Was that, was that with his penis.

RC-A621 Yes.

DC GREGORY Nor other objects.

RC-A621 No, no other objects.

DC GREGORY ???

RC-A621 And he didn't, he didn't always ejaculate inside of me, sometimes he'd, he'd take it out and then ejaculate over me.

DC GREGORY And this was when you were bent over a desk on another positions.

RC-A621 No, he normally, he used to like it over the desk, I, I think it sort of, I think it sort of gave him this power of authority, I think I don't know, because he could be quite rude to you as well.

DC GREGORY What did he say to you then, you said he could be rude to you.

RC-A621 Well he, he used to call, he used to call you useless and, and um, and you weren't worthy to be at the school and this was your way of being basically punished for coming to a school like this and um and I never used to understand

DC GREGORY What ...

RC-A621

So therefore I wouldn't have been worthy to go to that school.

DC GREGORY You mentioned about putting your hands up, did he actually teach you in any lessons at all.

RC-A621

Yes he, **DPA** I think he used to teach us as well, but it was definitely **DPA** was my favourite subject as well. I was good at **DPA** because my dad was a **DPA**

DC GREGORY This abuse that took place was it at the beginning of the day, end of the day, was it any particular time.

RC-A621

It, it used to be, we used to have a break at about 11 o'clock, there or thereabouts, and it was either then or it was immediately after lunch which finished about 25 past 1 and I'd have to go and sit, see him then and then you'd
