Well I mean I was sexually assaulted by this guy, Mr MAESTRI, and I know full well that Father Lawrence SOPER, Father David otherwise known as 'Gay Dave', that was his, what we all called him, cos everybody knew what he was, with their knowledge basically.

DSM

Right, okay. Now you've mentioned a few names there, Lawrence SOPER.

RC-A11

Um.

DSM

Is it SOPER, Mr MAESTRI and Father David.

RC-A11

Um.

DSM

And you're talking about a specific area aren't you, a specific school.

RC-A11

Yeah.

DSM

St Benedict's.

RC-A11

St Benedict's School in Ealing, W5.

DSM

Right, okay, and what is it about St Benedict's, you know, what, did you go to St Benedict's.

RC-A11

I went there from the age of about, must have been about 6, up until 1981.

138

DSM Right, okay, so that's 6, you would have been what about 1974, '75.

RC-A11 Something, yeah, well, yeah about '75 I think, something like that.

DSM Yeah, okay, cos St Benedict's is split into different sort of like schools or different departments isn't it.

RC-A11 Well there weren't girls in it then. When I got there the year later they started, oh god I can't remember what the name they had for it now. Like we start, I started in the juniors, about a year after I started or whatever they had a younger bit of the school, or just about when I was leaving they started having girls in the 6th form, I'd, they're probably all the way through the school by now, I don't know but, but it was very much, they identified vulnerable people and.

DSM Okay. Right, so it's.

RC-A11 You know.

DSM It, you, you were at the junior school at St Benedict's in Ealing..

RC-A11 And the middle school.

DSM And the middle school.

DSM

Right, okay, and it's a, it's a catholic school isn't it.

RC-A11

Yeah, it's Benedictine.

DSM

Okay, is it a, is it a fee paying school.

RC-A11

Yeah.

DSM

Do your parents have to pay.

RC-A11
