Dear AR-A87

**REGARDING: YOUR APPLICATION FOR COMPENSATION**

**INCIDENT DATE : BETWEEN --/--/1969 AND --/--/1970**

**NOTIFICATION OF DETERMINATION**

Having considered your application for compensation, I regret to inform you that no award has been made for the following reason/s.

Under Paragraphs 6 and 8 of the scheme the Authority may pay compensation only if an applicant sustained an injury directly attributable to a crime of violence. (The meaning of 'directly attributable' and 'crime of violence' is explained in paragraph 7.8 and the paragraphs which follow it in the guide to the Scheme.) The key issue is the evidence, and I am afraid that there is simply not enough evidence to show, on the balance of probabilities, that you were the victim of sexual assault. In the circumstances I am unable to make an award of compensation from public funds.

If this decision is accepted there is no need to reply. However, if you believe that the decision is wrong you may apply to have it reviewed. An application for a review must be made in writing on the enclosed form, giving reasons for the request together with any other relevant information, and must be sent to us within 90 days of the date of this letter.

Yours sincerely,

**DPA**
