I have today attended HMP [DPA] and taken a written Mg11 from the named Victim. He has made an allegation of one sexual assault against Mr John Maestri (Suspect 1). This was an assault by touching over clothing. Mr Maestri apparently touched the Victim's upper leg and touched the end of his penis with one finger or thumb. This took place for a very short time as the Victim moved away as

Supv.

The victim in this case has made one allegation of sexual touching over clothing stating the suspect, Mr Maestri touched his leg and penis over clothing whilst asking him if he wanted to play table tennis for the school, before pinching his face.

Research is to be conducted in to the suspect's bad character to establish if this behaviour was a past trait. The suspect is to be traced and interviewed about this incident.
