I have contacted Joe Foley the assistant head teacher at St Benedicts School in order to assist locating an ex pupil named [RC-A641]. He will be viewing archived files to assist me. I have been unable to locate him thus far and am unsure if I have been using the correct spelling of his surname to date. Hopefully Mr Foley can assist direct my searches in this action.

I have been provided details of [RC-A641] by Jo Foley the assistant head teacher of St Benedicts school. I conducted checks on the home address listed on Cris for him in the school during the times he was there, being 1983 to 1986. He remains at the same address with his Mother. I have contacted the listed telephone number and spoke to his Mother. I have provided my details asking him to contact me. His details can be found on Cris [DPA].

I have now been contacted by [RC-A641]. He was not willing to speak about the matter in any detail over the phone but intimated that he had been sexually abused by Mr Maestri. He has agreed to be ABE interviewed. Unfortunately our line got cut off before we could arrange a date and time. I do not have a mobile number for him. I will continue to call his Mother's number to attempt to speak to him again but so far there has been no reply.
