that the school could not tolerate this behaviour and suggested that he left. Fr Francis could not recall what Maestri's reaction was to this but Maestri left the school soon afterwards. Fr Francis could not recall the name of the family complaining about Maestri and stated that he had no written record about the incident. He stated that he would have told the head, Fr Anthony Gee, about the incident. Fr Gee has now left the School but Fr Martin would have contact details.

I have received a faxed MG11 from First Direct stating that the £500 paid into **Name Redacted**'s account was paid in by Maestri from his **DPA** account on 12/12/02. Enquiries in hand.

Fr Martin contacted me and gave me contact details for Fr Anthony Gee if required.

On 28/3/03 I spoke to **RC-A624** the victim's brother, who stated that when he was about 11-12 years old Maestri had kissed him when they were sitting on the sofa at the family address in **DPA**. Maestri had stuck his tongue in **RC-A624**'s mouth. A statement will be taken from **RC-A624** asap.

On 28/3/03 I left a message for **RC-A419** **RC-A623**'s other brother to contact me. On 29/3/03 he phoned me and stated that Maestri had come into his bedroom when they were living in **DPA** and had tried to touch his penis and kiss him. **RC-A419** stated that Maestri was interrupted by **RC-A419**.
