

NOTICE OF DETERMINATION

CORE PARTICIPANT APPLICATION

1. On 24 March 2017 the Inquiry invited anyone who wished to be designated as a core participant in the Children in the Care of Nottinghamshire Councils investigation to make an application to the Solicitor to the Inquiry by 21 April 2017.
2. An application for core participant status was made on behalf of the Chief Constable of Nottinghamshire Police. This notice sets out my determination of that application.
3. Applications for core participant status are considered under Rule 5 of the Inquiry Rules 2006 which provides:

(1) The chairman may designate a person as a core participant at any time during the course of the inquiry, provided that person consents to being so designated.

(2) In deciding whether to designate a person as a core participant, the chairman must in particular consider whether –

a. The person played, or may have played, a direct and significant role in relation to the matters to which the inquiry relates;

b. The person has a significant interest in an important aspect of the matters to which the inquiry relates; or

c. The person may be subject to explicit or significant criticism during the inquiry proceedings or in the report, or in any interim report.

(3) A person ceases to be a core participant on –

a. the date specified by the chairman in writing; or

b. the end of the inquiry.

4. In determining each person's application, the matters listed in Rule 5(2) must be considered, but the list is not exhaustive and I may also take into account other relevant matters.

5. The application explains that Nottinghamshire Police is responsible for the investigation and recording of crime within the county of Nottinghamshire and covers a geography which spans the two local authority areas. It is submitted that: Nottinghamshire Police will have inevitably played a direct and significant role in any investigation reported to the police in respect of alleged offences with this area of the Inquiry's work; in light of the role of Nottinghamshire Police in the recording and investigation of crime within the county of Nottinghamshire, the police force will have a significant interest in this aspect of the Inquiry's work; and, that the Chief Constable of Nottinghamshire Police should have core participant status in order to effectively participate in the Inquiry and to enable them to examine and test evidence that may be disclosed by other parties and which is critical of the role of Nottinghamshire Police within this aspect of the Inquiry.

6. This investigation is looking at the extent of any institutional failures to protect children in the care of Nottingham City and Nottinghamshire County Councils from sexual abuse and exploitation. It will amongst other things consider: the nature and extent of allegations and child sexual abuse of children in the care of the Councils during the relevant period; and, the appropriateness of the response of law enforcement agencies to reports of child sexual abuse involving children cared for by the Councils, and/or reports of child sexual abuse by individuals who were employed by or contracted by the Councils with access to children.

7. Having regard to the provisions of Rule 5(2) and the application made, I am satisfied that the Chief Constable of Nottinghamshire Police should be designated as a core participant in this investigation on the basis that the police force may have played a direct and significant role in the matters to which the Inquiry relates, has a significant interest in an important aspect of the matters under investigation, and also may be subject to explicit or significant criticism during the proceedings or in the report, or any interim report.

8. Applications for designation as the recognised legal representative of a core participant are governed by rules 6 and 7 of the Inquiry Rules 2006, which provide as follows:

6(1) Where -

- (a) a core participant, other than a core participant referred to in rule 7; or*
- (b) any other person required or permitted to give evidence or produce documents during the course of the inquiry,*

has appointed a qualified lawyer to act on that person's behalf, the chairman must designate that lawyer as that person's recognised legal representative in respect of the inquiry proceedings.

7(1) This rule applies where there are two or more core participants, each of whom seeks to be legally represented, and the chairman considers that -

- (a) their interests in the outcome of the inquiry are similar;*
- (b) the facts they are likely to rely on in the course of the inquiry are similar; and*
- (c) it is fair and proper for them to be jointly represented.*

(2) The chairman must direct that those core participants shall be represented by a single recognised legal representative, and the chairman may designate a qualified lawyer for that purpose.

(3) Subject to paragraph (4), any designation must be agreed by the core participants in question.

(4) If no agreement on a designation is forthcoming within a reasonable period, the chairman may designate an appropriate lawyer who, in his opinion, has sufficient knowledge and experience to act in this capacity.

9. The Chief Constable of Nottinghamshire Police has requested that Craig Sutherland of East Midlands Police Legal Services is designated as recognised legal representative for the purposes of the Inquiry's proceedings. Accordingly, I

designate Mr Sutherland as the Chief Constable's recognised legal representative in accordance with Rule 6(1).

10. Directions will be given for receipt of applications for an award under section 40(1)(b) of the Inquiries Act 2005 for expenses to be incurred in respect of legal representation at the forthcoming preliminary hearing. Such applications by core participants will be determined in accordance with the Inquiry's Costs Protocol on Legal Representation at Public Expense.
