Dear Mr. Osmond,

Re : M.J. CARROLL, **DPA**

I refer to your letter, dated 23rd June, 1986, requesting details of an offence of Indecent Assault, for which CARROLL was sentenced on 8th November, 1966 at Bromborough Magistrates Court.

Police Records are confidential documents, and will only be disclosed outside Legal directions and Home Office Guidelines if there are weighty considerations of public interest. In the circumstances, I am prepared to release to you the method of the offence which is recorded at the Merseyside Criminal Records Office. This information is strictly confidential and I must request that it only be disclosed to those with an absolute requirement to know.

The recorded method is that CARROLL, as an ex-inmate of **care home**, visited the home and during his visit went to see his old house. Entered a bedroom of a 12 years old boy and tickled him then pulled his pyjamas down and played with his penis.

I trust the information is of use,

Yours sincerely,

DPA

Assistant Chief Constable.
