

## Summary - Section 4 xvi

xvi. The number of looked after children at risk of sexual exploitation who were placed in unregulated care placements in each of the two years to 31 March 2019.

Number of unregulated care placements	3	
Number of young people placed in unregulated care placements	3	
Total number of MISPER Episodes	37	
Total number when placed in unregulated care placements	9	<b>24.32%</b>

Two of the young people [REDACTED] [REDACTED] were subject to the CSE Protocol but their names were removed from the Protocol prior to being placed in unregulated care placements.

The other young person was referred to the CSE Coordinators and considered at a CSE meeting but was not made subject to the CSE Protocol whilst in the unregulated care placement; she was however subject to the CSE protocol in 2016/17.
