Minuets:

It was agreed that the safety plan would not be reviewed at this meeting in light of the possible placement for **CS-A25**

Grandmother of CS-A25 felt that the current safety plan was not working and that things have got worse since the child protection conference.

Grandmother of CS-A25 continued stating nothing has worked, **CS-A25** was not allowed to stay with her Great Grandmother the week before last as she was verbally abusive. Police attended the property during this incident. **Grandmother of CS-A25** felt that that the family have not been kept in the loop.

Grandmother of CS-A25 shared that she has made allegation and pursued the fact that **CS-F216** has abused **CS-A25** and **CS-F216** has also tried to press charges and nothing has happened,
