

**OPEN summary of CLOSED session**  
**13 October 2020**

The Inquiry heard evidence from Nigel Hewson who was the Senior Investigating Officer (SIO) of Operation Enamel, a police operation set up to examine allegations of child sexual abuse made against Lord Janner, including those previously considered by Leicestershire Police. Part of his evidence was given in CLOSED session.

During that session, Mr Hewson provided a summary of a Leicestershire Police investigation into allegations concerning Lord Janner. Mr Hewson described the investigative decisions that were made during that investigation, and some of the evidence that was obtained. He also explained that following receipt of advice from leading counsel, a provisional view was taken by CPS headquarters in London that there was insufficient evidence to justify criminal proceedings at that stage. A later decision confirmed that position to Lord Janner's legal representatives.
