

19.10.2020

To whomever it may concern,

Following the email dated 15.10.2020, I can confirm that during the evidence I gave on 28<sup>th</sup> September 2020 that I discussed Catch22 had seen an increase in child to parent violence and specifically children who are victims of child exploitation, this was across Merseyside and not just local to St Helens.

I hope this is helpful

Regards
