Dear Father Flint,

Catholic Emigration Association
Appointment of New Trustees.

I send you herewith a copy of the Appointment of New Trustees dated 15th September 1931 for which you ask, which I have taken from my draft papers.

I also enclose copy of a letter dated 3rd March, 1936 which I sent to Father Bunce and in which reference is made to this document and to the original Trust Deed, which is a very difficult instrument to operate owing to the necessity for getting the signatures of all the Bishops of England to the Appointment of New Trustees.

In 1939, for Doctor Griffin, I prepared a suggested Constitution for the Catholic Council for Overseas Settlement but I do not think anything happened as the War probably intervened.

If there is any further information with which I can supply you I shall be happy to do so.

Yours faithfully,

(SGD) ARTHUR J. GATELEY.

The Revd. W. Flint,
Fr. Hudson's Homes,
COLESHILL.
