

	A	B	C	D
1	Summary of Missing Children/Young People in 2017/18 and 2018/19			
2				
3	Measure	Notes	2017/18 01/04/2017 - 31/03/2018	2018/19 01/04/2018 - 31/03/2019
4	No. of missing episodes in the year	Based on all missing episodes recorded on Mosaic using the 'Referral of Missing Child/Young Person' form. Please note this includes two missing episodes in 2018/19 that may have been recorded in error against mosaic ID 560795 as there is a note on Mosaic to delete the record.	2013	2223
5	Of missing episodes in the year, the number of children recorded as found	Based on those that had a date recorded for 'date and time found' on the Referral of Missing Child/Young Person form on Mosaic. Please note that there are data quality issues with 'date and time found' on mosaic. Included in this figure are 10 episodes for 2018/19 and 5 episodes for 2017/18 where the date recorded for 'date and time found' was before the date recorded for 'date and time missing'.	2010	2217
6	Of missing episodes in the year where the children was recorded as found, the number that had a Return Home Interview (RHI)	The total number of RHI forms that have been completed on mosaic has been identified by all missing episodes that have a next step of RHI, plus the number of missing episodes where "Use existing Return Home Interview form (if appropriate)" is recorded, minus any missing episodes that have a reason the RHI has been declined and any RHIs that have been completed but have an action recorded within the RHI of 'RHI not completed'. This is the methodology used for monthly reporting.	1068	1059
7	Of all missing episodes in the year, the number that had a RHI completed on Mosaic	As above, but for all missing episodes, not just those that have been recorded as found. The total number of RHI forms that have been completed on mosaic has been identified by all missing episodes that have a next step of RHI, plus the number of missing episodes where "Use existing Return Home Interview form (if appropriate)" is recorded, minus any missing episodes that have a reason the RHI has been declined and any RHIs that have been completed but have an action recorded within the RHI of 'RHI not completed'. This is the methodology used for monthly reporting.	1068	1063
8	Of the number of missing episodes in the year, the number of children that have been identified as being at risk or sexually exploited	Of all missing episodes, the number of children that were identified as being at risk of CSE in at least one of their missing episodes/RHI. This is identified by those that had 'yes' recorded in their Referral of Missing Child/Young Person form for the question 'Is this a potential Child Sexual Exploitation Concern' or had 'yes' recorded in their RHI for the question 'CSE Concerns?' as recorded on Mosaic.	156	216
9	No. of Missing Children Reported Missing in the year	The number of children that had at least one missing episode recorded in the year.	592	595
10	Of the number of children reported missing in the year, the number that had a RHI	Of the children/young people that were reported missing in the year, the number that had at least one RHI completed for at least one of their missing episodes.	376	341
11	No. of Children with Repeat Episodes in the year	Of the children/young people that were reported missing in the year, the number that had more than one missing episode recorded within the same year.	254	276
12	The number of Warwickshire looked after children that were missing in the year	Based on the number of missing episodes recorded for Warwickshire looked after children. This is taken from the finalised 903 data.	113	130
13	The number of missing episodes for Warwickshire looked after children in the year	Based on the number of missing episodes recorded for Warwickshire looked after children. This is taken from the finalised 903 data.	794	877
14	Of missing episodes for Warwickshire looked after children in the year, the number that had a RHI	Of the Warwickshire looked after children who had a validated missing episode (from the 903 data), the number that had a RHI.	431	449
