

the unitarians

21st June 2021

Following the submission of the witness statement to the inquiry, the General Assembly commissioned an independent audit of its safeguarding practices from 31:8.

We are looking at the report from that audit to consider how to ensure we are fostering a culture of good safeguarding practices for all. Within this work we will consider the role of pastoral support for those involved in responding to allegations of child sexual abuse.

Elizabeth Slade
Chief Officer
General Assembly of Unitarian and Free Christian Churches
