Agency	Research
Police	Safeguarding and Intelligence reports shared during meeting.
Social Worker	<p>Recent police intelligence - It has been brought to my attention by a 3rd party that CS-A114 is currently hanging around with LAC CS-B7 aged 18 years and a male a friend of CS-B7's a CS-B532 aged 19 years. Both of these males are known to police and could be a risk to CS-A114. CS-A114 appears to be socialising with lots of different and older young people. This is a concern as CS-A114 is vulnerable to coercion.</p> <p>CS-A114 appears to be in a sexual relationship with CS-F431 who is 19 years of age. This is concerning as intelligence tells us that CS-F431 uses amphetamines.</p> <p>Currently CS-A114 is attending school for 2 hours a day. CS-A114's attendance has increased but there are concerns over her inappropriate behaviour when she is in class.</p>
ERASE Support Worker	<p>Mam has been told that she needs to be reported missing when she is not returning home.</p> <p>CS-A114 has stated that she wishes to move into a DPA with Name Redacted she has also stated that she has had a big argument with Stepdad.</p>
Health	No further information to add from last meeting. I will continue to offer support via weekly school nurse drop in.
