Her pregnancy -[CS-A114] opened up about her recent pregnancy and admitted that she was trying to protect someone. She admitted to me that is why she was obstructive with officers previously. She admitted that she was in a relationship with [CS-B819] b. [DPA] /2002 and everything was consensual however he is 17 and she was 12 at the time. She stated that she wanted to keep the baby however her family made her get a termination. She has admitted they split up and she is now in a relationship with a 16 year old male named [CS-B1006] (NFDK).
