

**Any additional comments**

The chair confirmed that no one had any additional information to add, that everyone was happy with the actions identified and no one had any additional lines of enquiry in relation to safeguarding and disruption. The chair reminded everyone that they need to share any concerns with the relevant plan owners and complete any additional disruption and safeguarding should this be identified prior to the next meeting.

**Safeguarding Plan-Victim**

The appropriate markers will be placed on police, health and education systems showing [CS-A50] as being at risk of CSE. The social worker has been asked to provide an update from the ICPC as well as update re Education. The researcher has been requested to research around [CS-B1367]'s family. All agencies have been asked to continue to share intel via the intel sharing form.

**Disruption Plan- Suspect**

Markers will be put on police systems identifying [CS-F256] as being a CSE suspect. The local NPT have been asked to continue to police the street and keep a look out for [CS-F256] in the address. The chair has been requested to discuss a PDP/Sexual Risk Order re [CS-F256] and [CS-F375]
