Brett Andrews	A/Head
Steve Cohen	Head of Care
Paul Jarvis	Team leader

} "core team"  
seen to be running the school.

+ active involvement of caretaker

+ some involvement of Duncan Euton [concern on prof. expertise previous experience]

→ rest of staff not included [repetition appointments - lack of communication]

Norden Unit: lack of professionalism + care, despite paper qualification

Sometimes only one person on site

A/Ad - no confidence, inconsistent

Ashworth (junior) block involved in Smith Street toilets  
- "keep quiet"

Poor record-keeping either individual children or general incidents
