The possible return of **RO-B57** and **RO-B42**

Group,

Banford suit.

The group presented few issues and believed very well all evening. **RO-B61** believed everything and could be reintroduced on an activity basis into the general group tomorrow evening.

Senior suit

No issues or incidents to report an excellent evening with only a small group in for the night.

Messages/Incidents

Telephone - No sign of **RO-B57** or **RO-B42** but all parents have been informed and of course the police.

11:00 pm Disturbance in the alarm system showing 25. On checking doors and exterior of building - found **RO-A46** sliding in the dining area. He had apparently called at the Staffroom whilst the staff group were securing the building.

RO-A46 explained that someone, a man, had walked past his backspace and down the suit. After further checking the building no traces of an intruder could be found and the police were informed who undertook their own search of the grounds and spoke to **RO-A46**. No further disturbance followed for the remainder of the night.
