

5 / D.P. ~~that~~ should not be a team investigation

J.B. - recognises 'extreme sexual play' ~~needs~~ ^{needs} to be discouraged

M.P. recommended skill share committee should work in school alongside Care Staff - to release staff.

Revelation come out of unexpected occasion eg. argument over a chair.

J.B. Guernsey RO-A17. parents react. -

M.P. Doesn't know if his telling truth or not - use sister as a filter to communicate to his mother. Sister articulates his thoughts. He is prepared to tell his parent

~~the~~ Parents expectation of the Authority is to find out truth & to take preventative action to prevent recurrence. They know Carl is sexually aware.

De. Strategies for coping?

M.P. Isolation - in separate rooms at night

Porta situation - sending them home at night to keep main characters apart.

Day Admission - suggested to RO-A14 parents. - return home at evening activities say 9pm.

Dispense with sleeping staff on Senior Side & have a waking duty staff - most costly

Building now alarmed on Junior & Senior side - which indicates doors being opened. - Door on dormitory side will investigated immediately

For external door - sleepers in will investigate jointly with police

ADS advice & training will come in to raise level of awareness of staff. Staff think they are not skilled. Janet Wheeler will act as Abuse Liaison Officer - will look into training - Not best person in long term
