

Stephen Bradshaw confirmed that staff would be told not to discuss the situation further outside the school.

Boys identified by Stephen Bradshaw. [RO-A14] [RO-A11] and [RO-A15] [RO-A15]. However these are not considered to be victims. Knowl View to prepare relevant information for SSD.

15.4.91 Home visit to Liz Cotton. Liz had been an external trainer on a basic child abuse training day. She soon became aware that the staff groups from Knowl View had come with their own agenda.

After the initial session on Sexual Abuse the group began to unfold their story once again.

Liz advised them that they had been taken seriously and that they must follow the procedures.

Liz would be prepared to go into Knowl View and do some further training with them. She was very concerned that their responses and management was not altogether appropriate
