1. Incident regarding [RO-A10]
2. Incident regarding Norden House Unit
3. Incident regarding [RO-A11]

(1)

In July last year [RO-A10] was interviewed by D.C. Goggins with regard to a sexual incident which took place in Smith Street toilets. [RO-A10] was offering services to men and on occasions going off with them in their cars. In Spring this year [RO-A10] was again involved in a sexual incident and a Mr. A. Smith was picked up by the police. A Mr. Harry Smith has this incident recorded. Staff at school were extremely concerned over [RO-A10]'s conduct but as this school is not a Lock Up School it was found to be virtually impossible to keep a track on [RO-A10]'s movements. [RO-A10] kept absconding from school. It was decided that [RO-A10] should carry a pass when out of the building. The police were informed to ensure he was picked up immediately. In view of the problems with [RO-A10] it was decided to seek a short term placement at Mountwood Centre for young people. [RO-A10] was given a 12 week placement, starting on 4th December, 1990.

[RO-A9]
