

6/MP. 1.5 Care Staff down

Steve ~~can~~ also carry Darts.

Extraordinary Duties - normal firm afternoon to evening

De. Elise Doherty will look after some of messengers to manage the situation, or use counselling to lead to therapy.

MK agrees that H.P. strategies are small but stressed need for a joint investigation to be carried out.

Tim Healden - say need that would be used to be 15th Feb.

What they are doing is wrong. An investigation would probably only lead to the same conclusion that TP has already arrived at.

TS. suggest possibility of a joint PDSA/SSD with Care Staff.

MP. Stressed need for therapy.

CB. Need to consider admission policy - supervision procedure

- structure strategies for social activities
- develop curriculum programme.
- need to monitor how groups will work with school + deploy the staff.

Do not favor a confrontational approach.

Today's evidence re implies what we already know.

No evidence that staff were dilatory/condone

MS. - don't minimize culpability but will universal in all ways community. - Need to minimize involvement of the public. - DS emphasize the commissioning - using outside commissioning.

Other Grayhobbs involved in strange abuse.

- has secured outside school premises. - No appropriate means of communication after this time
