KNOWL VIEW SCHOOL

Thank you for your assistance in arranging the meeting in relation to Knowl View School. I understand from Janet Boyyer, Child Protection Manager that it was a useful and productive meeting.

I would wish to confirm that the following agreement was reached.

- 1) Education Department to continue to re-assess staffing/intake and training needs of the establishment.
- 2) Head Teacher and relevant staff to identify appropriate children to be involved in child protection interviews.

I understand that assurance were given by Mrs Boyyer that resources will not define the level and extent of action taken but this will be determined by information received from the children.

It was agreed that all agencies involved with Knowl View have a responsibility for all the children to identify the Child Protection Issues.

The Group agreed to reconvene when the initial interviews has been completed and to reserve the right at that stage to further consider what needs to be done in the school.
