Dear Brian,

Re Prowler

Last night we had a prowler around school attempting to gain access. The police were alerted but took a long time to respond, I have written to them over this matter.

However, it was very evident that the rear of the school is very poorly lit. I know Name Redacted is looking into extra lighting as part of the alterations/decoration scheme but it is essential we move as quickly as possible.

Yours sincerely,,

S. BRADSHAW B.A.
