network where young boys are being abused and abuse is occurring.

Child/Young Person's current whereabouts and protection - from the abuse which we believe is occurring in Manchester.

Structured activities - to occupy [redacted] and engage him and to allow strict supervision to monitor his movements so that he does not contact the network in Manchester. Rochdale is used as a pick up point for boys to go over to Manchester so if [redacted] is out of the area the contact is slightly more episodic.

4. Counselling regarding abuse from Sharon Collins (social worker) when visiting on weekly basis.
