RO-A27

I witnessed **RO-A20** connect a vicious blow to the head of **RO-A27**. It was clearly done with intent to harm **RO-A27** and this would have been followed up with further blows but for my quick intervention. This was a nasty assault on a younger child and previous to the thump **RO-A20** was also witnessed ^{by other children} to kick **RO-A27** on the leg.

I used my arms to immobilise **RO-A20** and with a firm verbal reprimand sent him to the front of school to be dealt with.
