

6/MP 1.5 Care Staff down

Steve ~~can~~ also carry Darts.

Extraordinary Duties - normal firm after tea & evening

De. Elise Doherty will look at some of messengers to manage the situation, or use counselling to lead to therapy.

MK agrees that H.P. strategies are small but stressed need for a joint investigation to be carried out.

Tim Healden - say need that would be used to be 15th Feb.

What they are doing is wrong. An investigation would probably only lead to the same conclusion that TP has already arrived at.

TS. suggest possibility of a joint PDSA/SSD with Care Staff.

MP. Stressed need for therapy.

CB. Need to consider admission policy - supervision: procedure

- structure strategies for social activities
- develop curriculum programme.
- need to monitor how groups will work with school + deploy the staff.

Do not favor a confrontational approach.

Today's evidence re implies what we already know.

No evidence that staff were dilatory/condone

MS. - don't minimise culpability but will universal in all ways community. - Need to minimise involvement of the public. - D's emphasis on the committee - using outside consultants.

Other Group/boys involved in strange abuse.

- has secured outside school premises. - No appropriate means of communication of this time
