

Mr Bentley stressed that the report which he had given previously described a serious situation that needed correcting. He remained concerned that the management of the school needed strengthening and felt that it would be difficult for persons within the school to tackle the problems objectively.

Mrs Cavanagh confirmed that the post of Head Teacher would remain residential and that any information that the Governors might require relating to staff conditions of service or regulations regarding extraneous duties would be made readily available.

Mr Ingoe thanked Mrs Cavanagh, Mr Bentley and Miss Simpson for their attendance and they left at this point.
