For the attention of Ms. Adele Bebb
(Assistant Director)

Dear Ms. Bebb,

I refer to your letter dated 8th December, 1992, concerning Mr. Roderick Hilton.

I am informed Mr. Hilton has now found accommodation in the Greave area and to that extent he should no longer present the problems outlined previously.

I am, however, conscious of your concerns about the possible future presence of this man in the area of your school, having regard to this matter and antecedents. My Area officer, Constable Harratt, will continue to monitor the situation and, should there be any developments necessitating further action, please do not hesitate to contact me.

Yours sincerely,

DPA
