Dear Sir Cyril

**KNOWL VIEW SCHOOL**

Thank you for your letter of the 21st January and thank you also for the time you spent with us on the previous day. It was most helpful to have your perspectives regarding the school and some of the ways forward.

The Governors' meeting was a useful one although not all the ground could be covered. Some outstanding items have been put on the Agenda for the next meeting in February.

The remit for Mrs Mellor was agreed with all the Governors and I am hopeful that it will give us a sound basis for planning.

From the conduct of the meeting on Wednesday and subsequent comment from Mr Wild, I think the issue of the Chairmanship will be deferred for a period. I am happy to say that Councillor Colley was able to come to the meeting and he may wish to share his perceptions with you.

I fully appreciate that this is not one of your direct responsibilities and so I am very appreciative of your interest and concern.

Yours sincerely

**DIANA CAVANAGH**  
Director of Education
