Dear Mrs Cavanagh,

In light of the Val Mellor Report, the Staff group within Knowl View School feel that matters arising from various incidents within the last two years have been left un-resolved.

At a Staff meeting which took place on Friday the 3rd of April, more information, previously unknown to us, was brought to light, and discussed, and we feel that you need to be informed of the total unease and lack of confidence this leaves us with.

We feel very strongly that there is a need for a full and immediate inquiry, initiated by us - and not forced upon us by the press or any adverse media coverage, which we feel we are bound to get before very long.

We would appreciate your urgent attention to this matter.

Yours Sincerely,

DPA
