DPA

Dear **Father** **Mother**,

Re: **RO-A13** d.o.b. **DPA** *N208*

N43
I confirm that today I have **excluded** **DPA** **RO-A13** from attendance at this school temporarily. It has been necessary for me to take this action because in a conversation with a known sex offender on the locality he was encouraging that individual to visit the school. This is placing the lives of the youngster at Knowl View in moral and physical danger.

He should not return to school until the 11th January, 1993.

Please contact the school to make an appointment to discuss the matter with me. You have a right, if you wish, to make formal representations concerning **RO-A13** exclusion. This may be done through the Chairman of Governors. Mr. J. Humphreys.

Yours sincerely,

S. W. Bradshaw
