ANDY FOUND.

RO-A11

Tuesday Evening 9.55 pm 19th February,

The boys assumed I had left the houseunit.

RO-A14 to RO-A11 "Come over here and toss me off"

RO-A11 to RO-A14 "No. You come over here and I will do it for you"

RO-A14 "No. I'm too tired"

RO-A14 shouting suck my dick

RO-A11 "I will if you come over here"

I waited on the unit until 10.10 pm for something to happen. RO-A11 went into the toilet and saw me, stood near the door. After he came out of the toilet I asked him to stand outside S. Cohen office. I requested him to close his mouth or further sanctions will be sought.
