Dear Sir,

Re: **RO-A10** (D.O.B. **DPA** 78)

In two weeks of October, **RO-A10** absconded five times and already since November, he has absconded four times. We are convinced that he is in grave moral danger whenever he absconds. We have tried every method available to us, to discourage him from running away, to no avail.

The only way we can guarantee **RO-A10**'s safety at the moment is to remove his shoes and outdoor clothing obviously this situation cannot continue. We feel, therefore, that we are unable to provide adequate provision for **RO-A10** any longer. We request that a secure and therefore safe placement be found for him urgently.

Yours faithfully,

DPA
