

**Institutional responses to child sexual abuse in the Anglican Church - a case study of the
Dioceses of Chichester
5 - 23 March 02018**

Issue: The hearing will examine how the Diocese of Chichester behaved when faced with a number of members of clergy/volunteers working within the Diocese and Cathedral who were subsequently convicted of child sexual abuse or where the individuals accused of such abuse died prior to this being established but credible allegations of such abuse exist.
