Mr Rod Hilton.

As you are probably aware we had quite a problem with Rod Hilton at the end of last term. This culminated in him being arrested for a breach of the peace after waiting at the end of the drive for children to leave the school. He was also camping on the land at the back of the school.

I spoke to numerous people, Liz Dobie, Adele Bebb, the police and Bill Lawley about the problem. It was my understanding that Bill Lawley was going to pursue a court injunction to ensure that he wasn't allowed within 100 yards of the school with police powers of arrest.

Rod Hilton has now been housed in the centre of town but still returns to the area to visit. I feel it is imperative that we pursue this injunction as he will be attracted back to the school. It also gives everyone concerned a clear message that his presence will not be tolerated in the vicinity of the school.
