

Minutes available of meeting with Br. Williams P.M.S (24.9.90)
 A meeting was arranged on this date. Duncan received phone call to attend meeting.
 Handwritten minutes by B.W. as evidence.

D. had been given info. from 2 boys who had conversation with Rod Hutton. Both boys had told them that Andrew found had allowed RH to sleep under his canopy of craftwork area.

D. mentally noted this + took info. to Graham Hutchinson (after the incident - this occurred)
 He took it to G.H. because he didn't trust P.D. S.C. + B.A. - felt there was a clique + thought it might be hushed.

Alarm bells began to ring about situation + conversations with boys. Felt info. should go to a higher authority.

G.H. contacted authority & requested to Spk. to M.S. or B.W.

Following meeting on 24.9.90 (morning) G. contacted M.S. / B.W. that afternoon, when Brett Andrews had gone off ~~the~~ site + concerns were raised, when Duncan mentioned staff member + felt able to [at another meeting that evening]
