

School is a warren + it would be easy to get in or leave the premises.

I think party is the wrong word. There was no music but a lot of walking + creeping about. They had got into the end flat where P.T. stored his things for raffle.

The boys apologized for taking stuff.

I'm not surprised about movement as the unit of boys had the nerve to smuggle someone in.

Staff are usually around until about 1.00 p.m.

I never found the bleeper a problem. There wasn't anything I couldn't handle I didn't have to ring anyone up.

S.C. lessons in Bury - 20 minutes away. it wasn't a problem.

I've been a residential worker + a field worker I'm well qualified in what I do. This school was the most unstructured and multiplying place I'd ever seen. Pupils had been there for a number of years. There
