Dear Mr Carlyon

Re: Independent Inquiry into Child Sexual Abuse – Cambridge House, Knowl View and Rochdale

I write to inform you of a call I received from Councillor Peter Williams in which he suggested that he had information of potential relevance to the inquiry.

On 30th November 2017 I received a telephone call from Councillor Peter Williams who informed me that he had information which corroborated Peter Joinson's evidence to the inquiry. Councillor Williams stated that he was aware of the meeting between Peter Joinson and Richard Farnell before it took place and that he had seen the contemporaneous note afterwards.

I have informed Councillor Williams that I would be referring this information to you. I understand that he also intends to write to the inquiry to share the information he referred to in our conversation.

Yours sincerely

DPA
