Dear Bishop, Wallace

28/10/98

As I approach my seventieth birthday I feel that I must retire and intend to do this on 31st. January 1999. By that date I will have completed fifteen years as incumbent of these two parishes, twenty eight years in livings within this diocese, and thirty two years in Orders.

I have also written similarly to the Patron of Brede, Mrs. Marigold Crook.

I trust I shall be granted a Licence to officiate generally in the diocese when need demands.

Yours sincerely,

DPA

Roy W. Cotton.

Dear Roy,

I understand you wish to retire, but I want to thank you for all that you have done. This comes with prayerful good wishes for your last months in Brede & for your retirement.

Copy to the Area Bishop of Lewes.
