Appendix 6 HAZELWOOD & MCGINLEY (WOLLATON HOUSE) REPORTS

1 The summary memo and recommendations from the McGinley case as attached. Whilst this person was employed at Wollaton House at a more recent point in time - the personnel and context are highly relevant to the current report.

I suggest that the implementation of these recommendations should be checked.

I suggest that the Personnel issues from these cases should be considered with the County Personnel Officer.

2 The full Hazelwood report and cover memo is attached. Whilst these events were at an earlier point in time - the personnel and context are highly relevant to the current report.

I suggest that the implementation of these recommendations should be checked.

I suggest that the Personnel issues from these cases should be considered with the County Personnel Officer.

I have attached the major relevant Inquiry reports for which I have had responsibility.

3 I am aware of other cases, notably that concerning Norman Campbell, where the personnel and context are highly relevant to the current report.
